## ADMINISTRATION

## FOREWORD

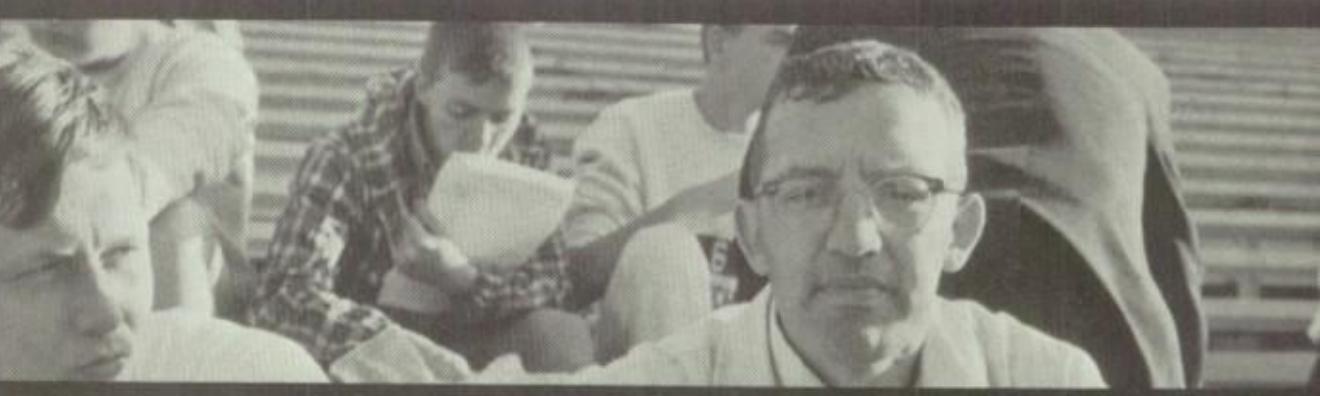

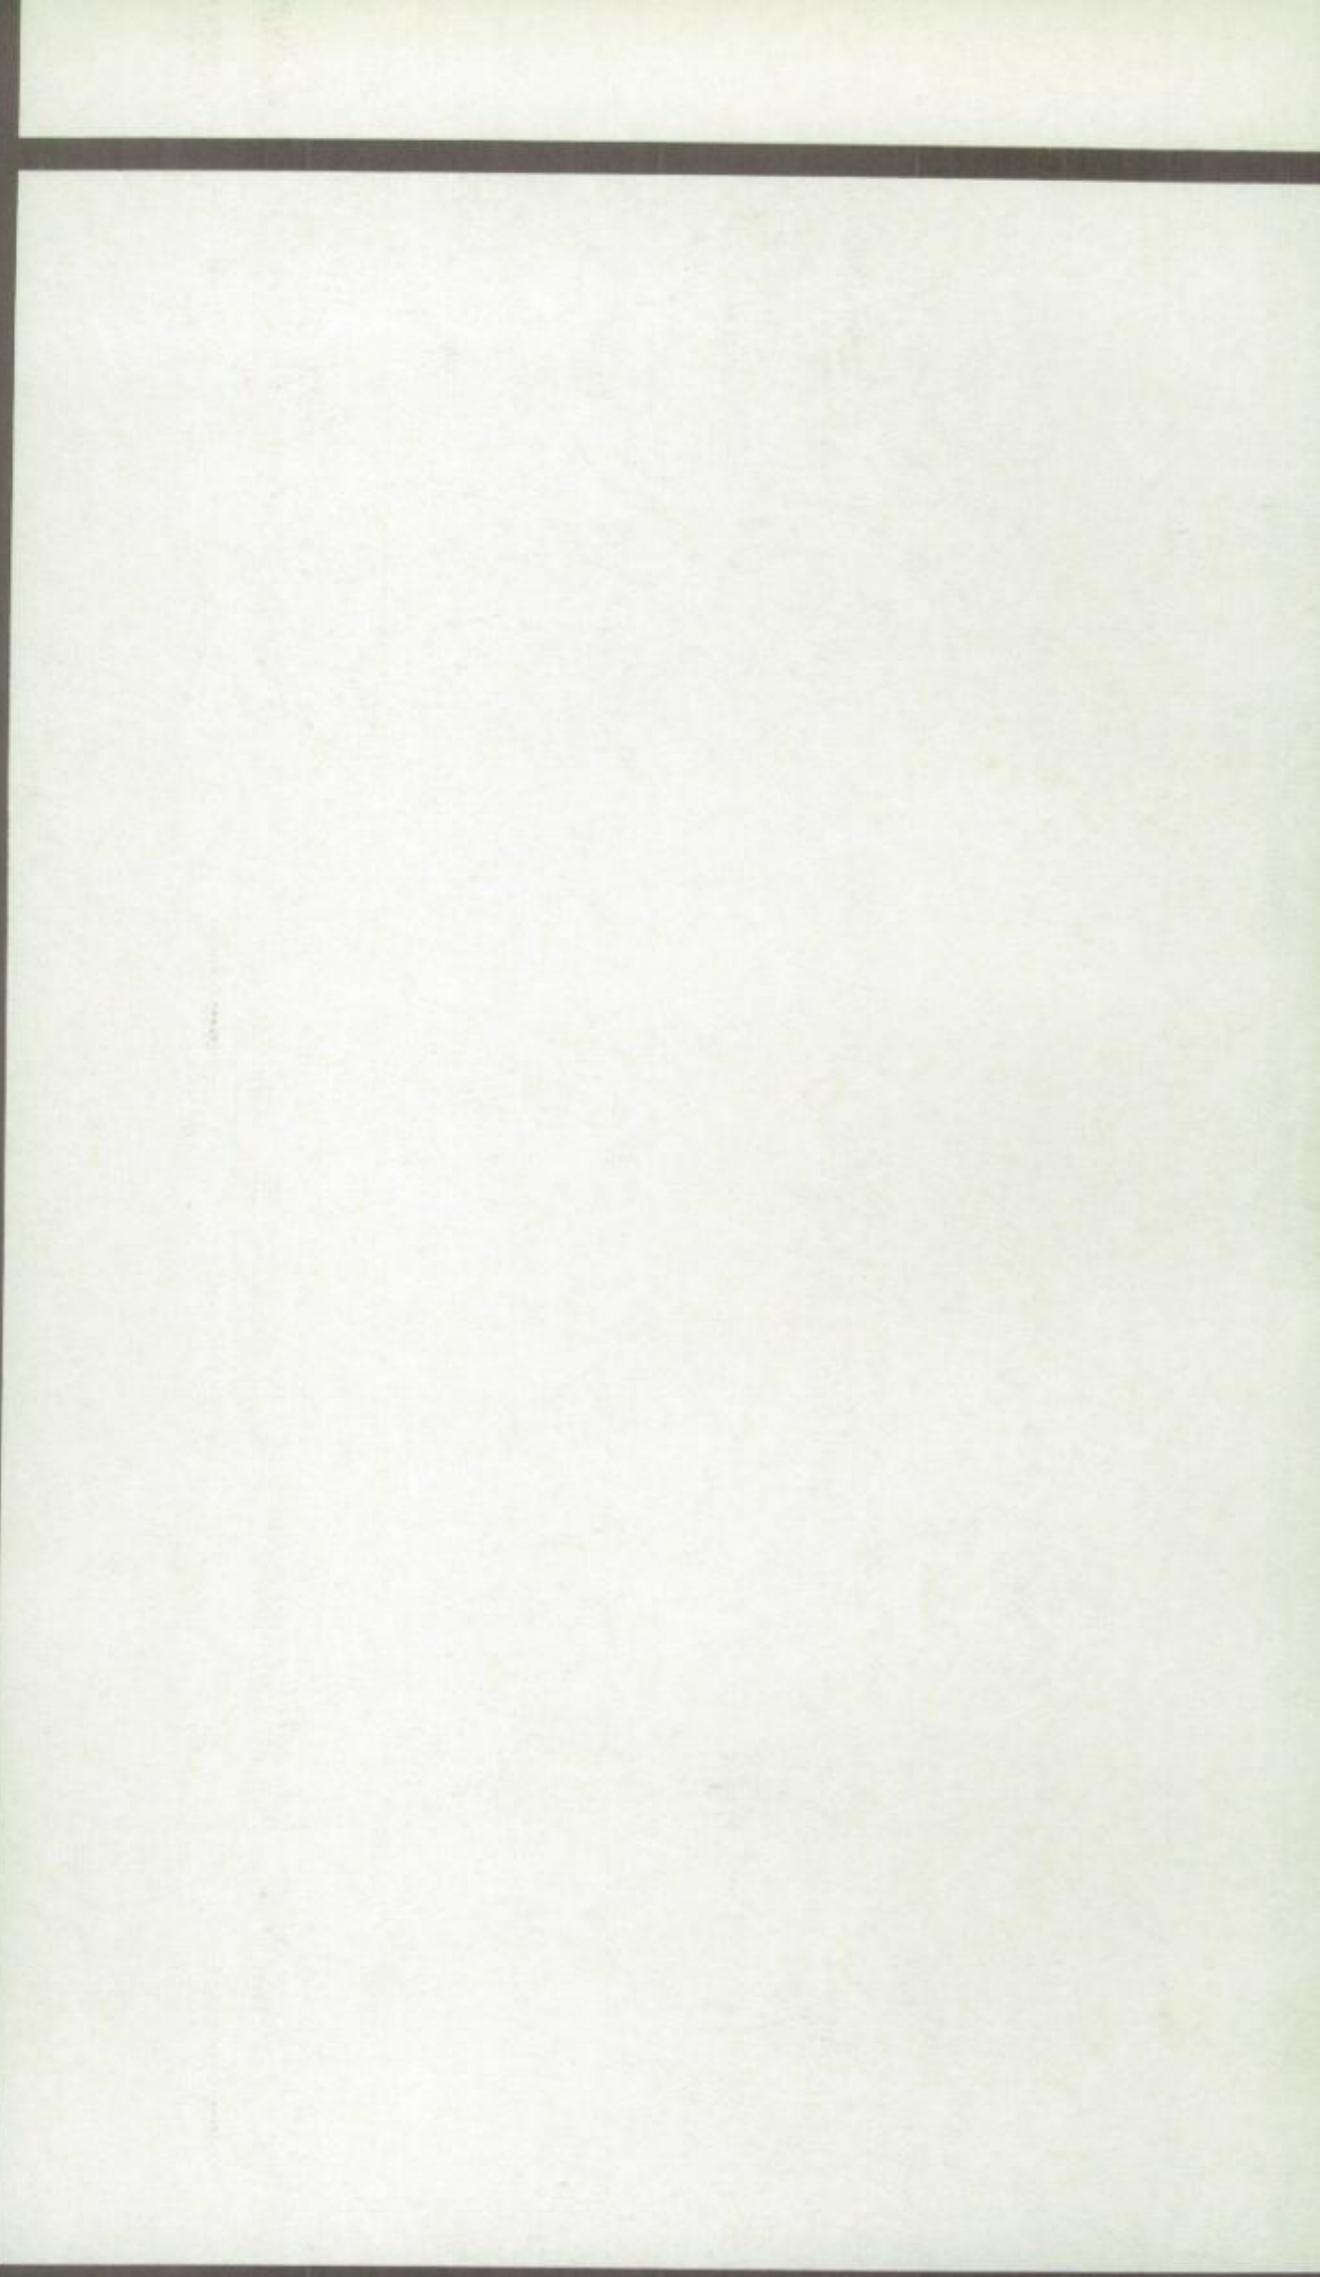

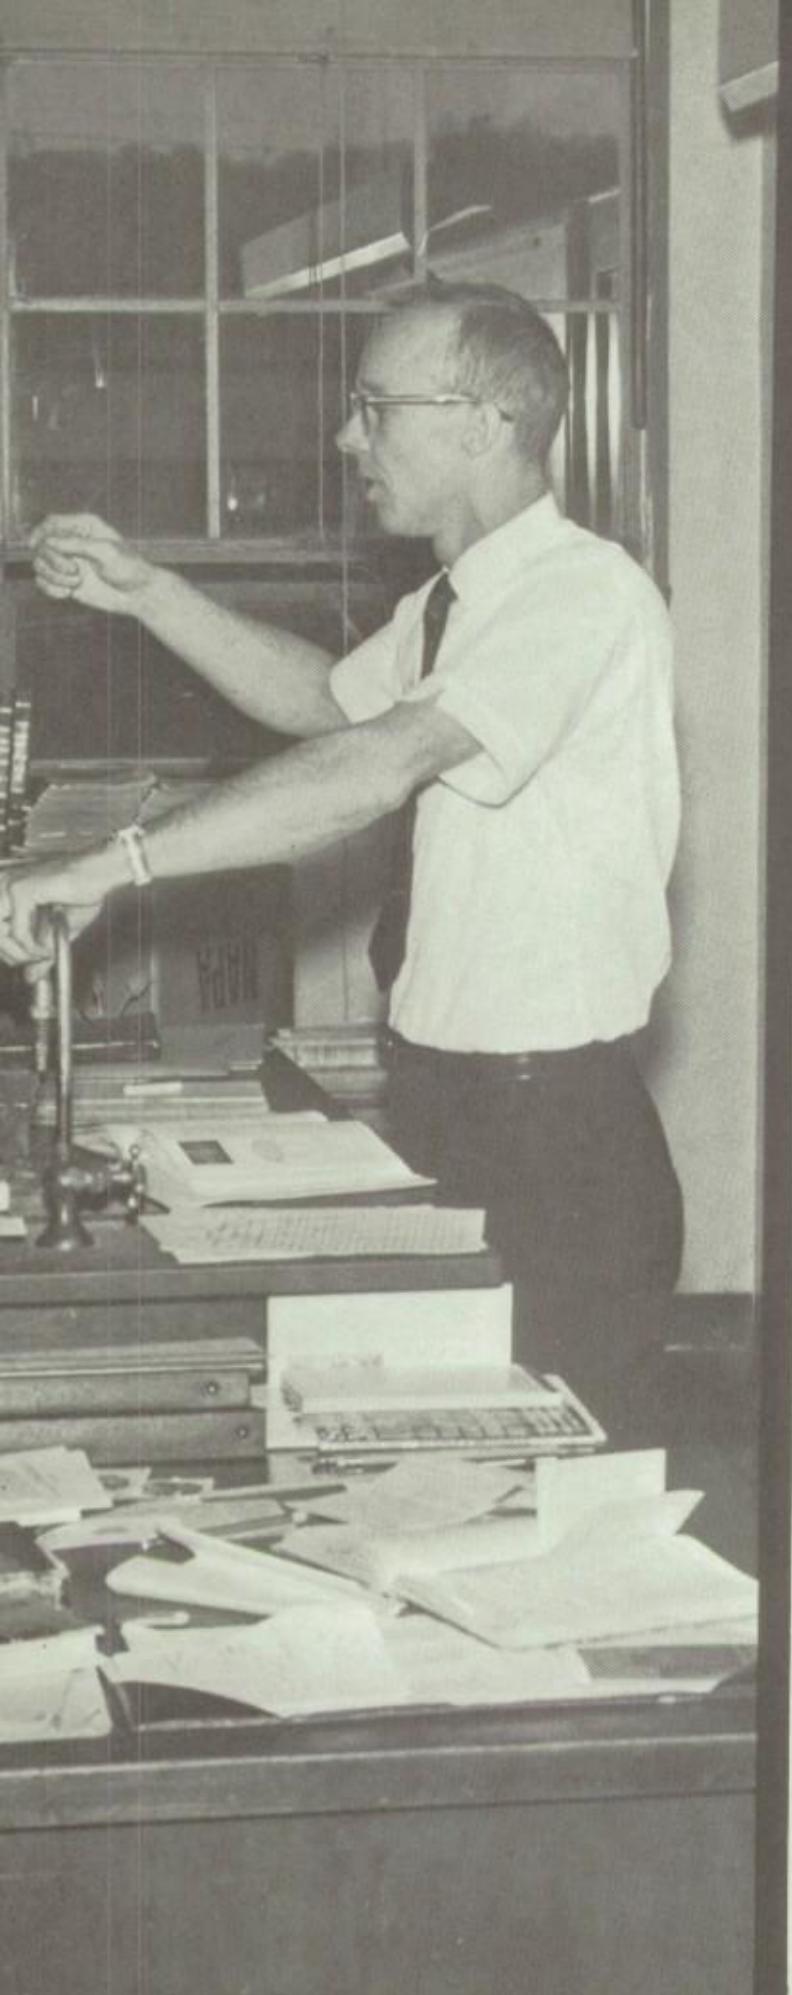

As graduation becomes a reality for the Class of 67, we the yearbook staff, hope that we have captured for you, the students and faculty, a lasting record of the year gone by. This past year has meant a lot to the Seniors and we have tried to preserve for them as well as the underclassmen and faculty fond memories which they might want to remember.

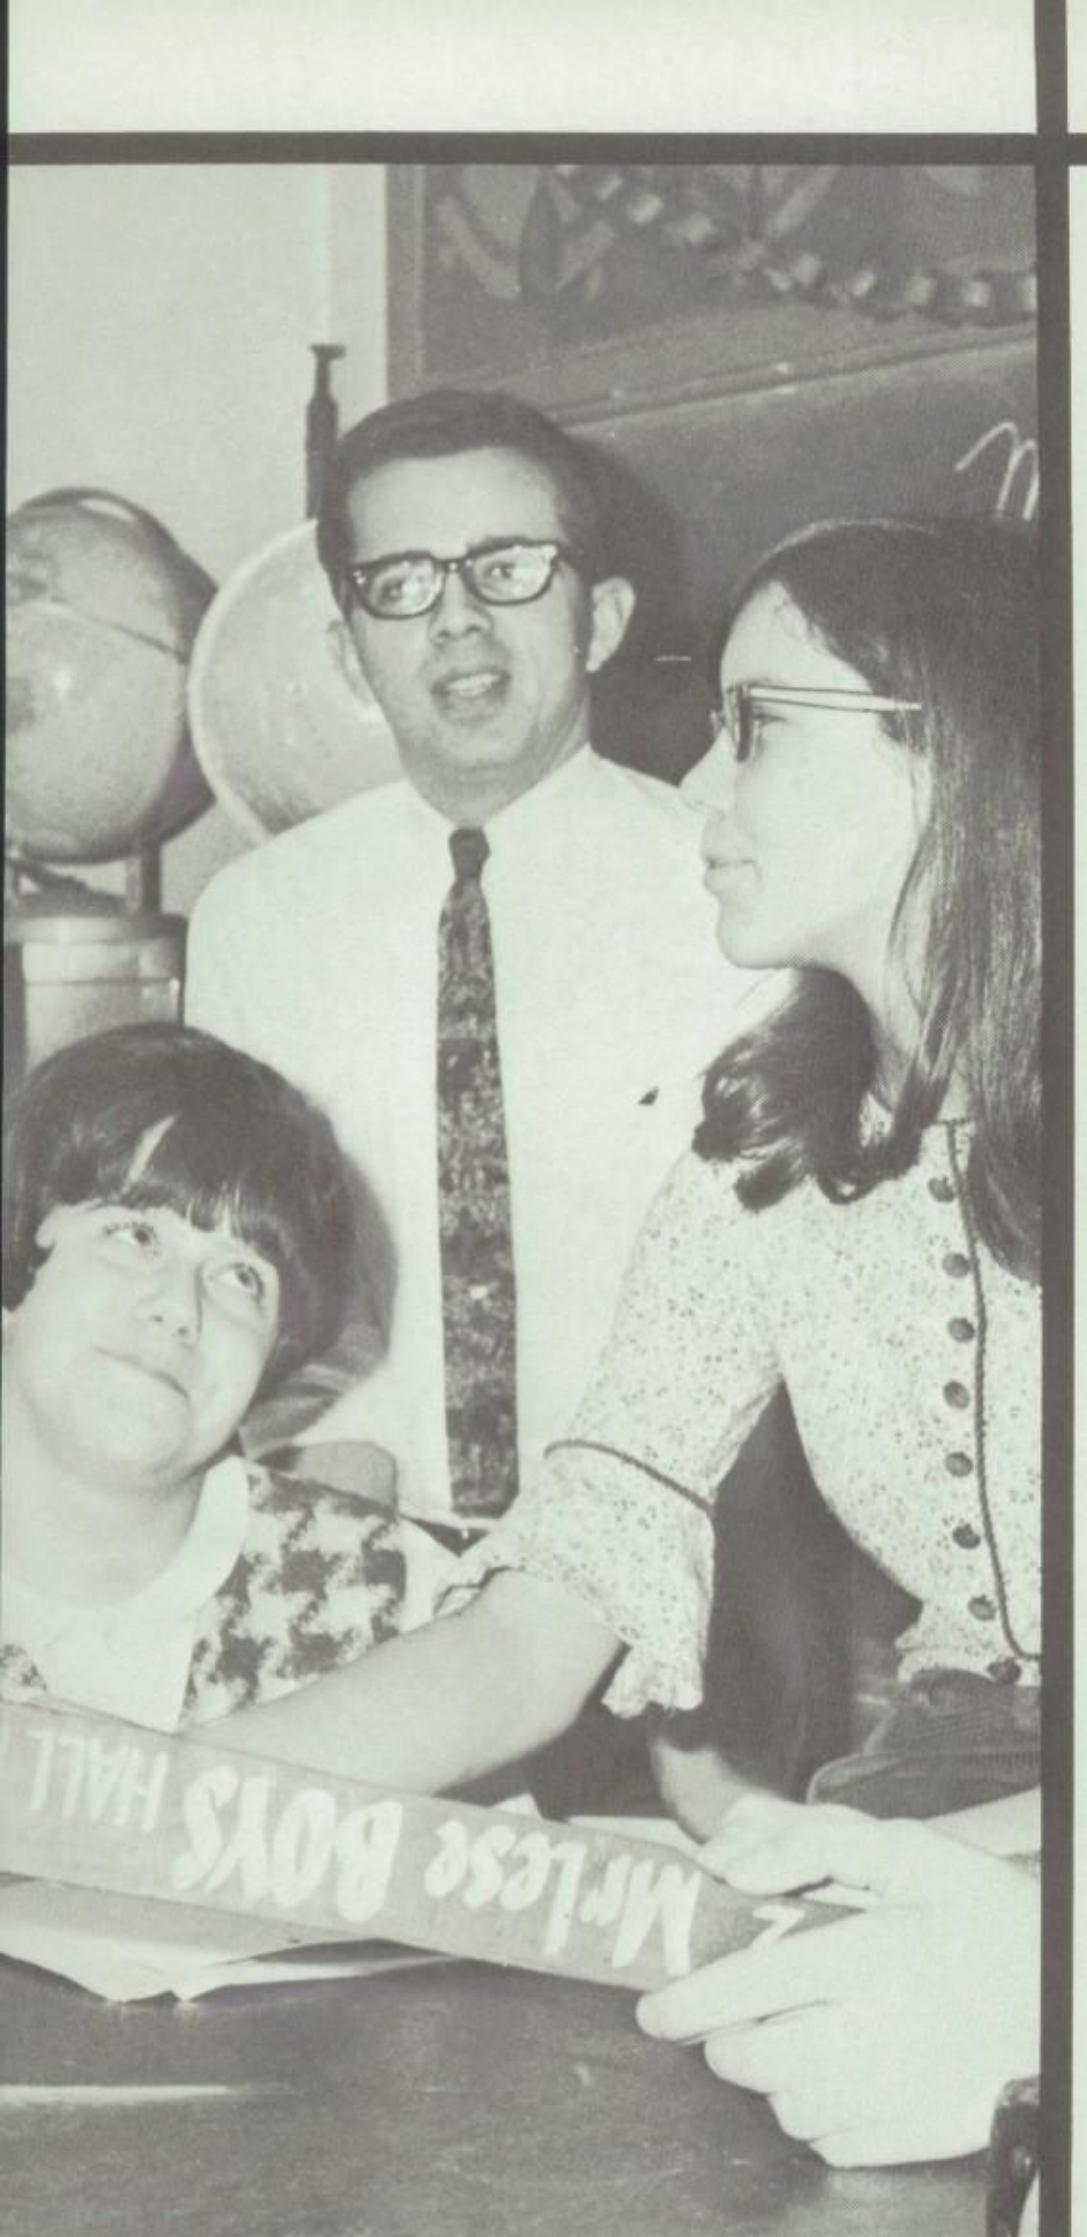

The years will pass and everyone will go their separate ways but the Charconge will always hold the times, both happy and sad, spent by the students at C.H.H.S. We hope that the classes to come will have moments to cherish as the Class of "67" and that their years at C.H.H.S. will be as great as they have been for us.

The Buccaneer, our school newspaper, is anxiously awaited by the entire student body each month. The staff consists of an editor, assistant editor, reporters, typists, artists, and production staff. The work of publishing the paper, including the printing and binding, is done by students.

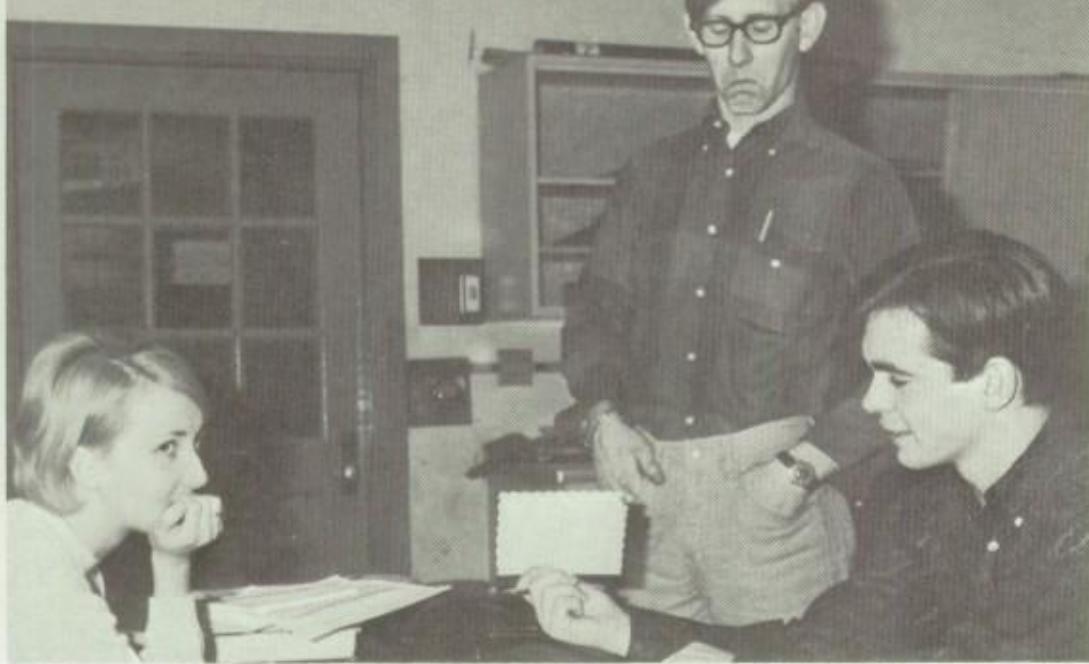

The Buccaneer Staff is comprised of interested students from the Senior, Junior, Sophomore, and Freshman classes. Writing ability, creativeness, industry, and initiative are some of the traits which are used in selecting the members.

## BUCCANEER

### EDITOR AND ADVISOR:

Steve Blevins, Editor of Production; Philip Weaver, Assistant Editor; Joan Williams, Editor and Chief; Mr. Morford, Advisor.

Newest of the various organizations to help cultivate the special interests of the students is the Art Club. The main purpose of the club is to promote art throughout the school by those members who themselves are interested in the many forms of art. This was the third year for the Art Club, whose members come from the tenth, eleventh, and twelfth grades.

Among the many activities of the club are exhibits of student art work, field trips to art displays, and other schools, exchange art programs, and other activities that benefit the school culturally.

## CAMERA CLUB

The Camera Club is devoted to the training of promising senior high students in the field of photography.

Activities include the first dance of the year where needed funds are obtained to purchase various equipment and supplies needed throughout the year for the club to function efficiently in its many projects.

Each year the Camera Club provides the student body an opportunity to purchase photos of the many school athletics either in team pictures or action shots.

Aside from the regularly scheduled meetings in activity periods, there are many lengthy night meetings where the advisor explains many of the intricate functions of the complex field of photography from the developing of film to the finishing of the prints.

The Drama Club was formed for the purpose of creating a better understanding and a greater interest in the field of dramatic endeavor. In order to achieve its goal the club takes on many duties such as publicizing both Junior and Senior Plays, staging a one act play in assembly, and attempting to raise money for various dramatic projects. The club also attempts to attend as many amateur and professional plays as possible.

It is the hope of the Drama Club that in the near future it will be possible to present awards for the most outstanding actors and actresses, in the school.

The Future Homemakers of America Club is a national organization of girls who want to become more aware of the contribution of homemaking education in their lives. The overall goal is to help individuals develop social qualities and promote better home life for themselves and their families.

The F.H.A. has State and National projects as well as local ones. Every year the club sends a demonstration team to take an active part in the State Farm Show at Harrisburg. The club also sponsors a Food Festival. Individual members are busy throughout the year working on their Junior Homemaker Degree or their Chapter Homemaker Degree.

## LATIN CLUB

The purpose of the Junior Classical League is to acquaint the Latin students with the customs, traditions, and daily life of the Romans and the surroundings. To become a member of the club, a student must have completed two semesters of Latin.

The club has many activities. Two of the most familiar are the trip to Buhl Planetarium to see the Latin Festival, and the Roman Banquet held in our school cafeteria. Last year, the Latin Club was held responsible for May Day.

By participation, the members not only gain a better knowledge of Latin and the Romans, but learn friendship, leadership, and cooperation in working with fellow classmates.

## LIBRARY CLUB

To create interest in library work, to improve the library service of the school, and to promote greater interest among the students in reading and the use of the books are the purposes of the Library Club. The C. H. H. S. Library Club is affiliated with the Washington County Association and the Pennsylvania State Library Assistance Association.

All members work one period a day in the library in addition to other school activities. Also, the club sponsors the annual Easter dance, faculty tea, and goes on a field trip. The club raised money by selling candy to buy books for the library.

### OFFICERS:

The Student Council is the governing body through which the students express their opinions and grievances indirectly to the administration. It is the purpose of the Council to introduce the student representative with responsibility in self-government.

The Council is composed of representatives from each homeroom in the senior high. Clubs also send representatives to the meetings.

Among the activities engaged in by the Student Council are dances, assemblies, pep meetings, and is in charge of the student voting for officers among various school functions. This year they sponsor a program in which fellow students could write to alumni of Chartiers stationed in Viet Nam.

The Junior High Science Club is composed of seventh, eighth, and ninth grade science students who have some interest in all types of science. Being a fairly recently established club, they have yet to decide on any major projects. However, they do plan, in the near future, to take field trips and to find ways to improve the school.

## JUNIOR HIGH SCIENCE CLUB

## JUNIOR HIGH INDUSTRIAL ARTS

The Junior High Industrial Arts Club consists of eighth and ninth grade boys whose purpose is to develop the skills needed in future years of service to Chartiers and to themselves. The club, as of yet, contributes little to the services of the Junior High because of the relative newness of the club. In the future, they hope to play a more active part in the Junior High activities.
